Whether you are interested in recreational shooting, competition, hunting, gun collecting, historical reenactment, home safety, or personal protection – the basics are where to start! NRA Basic Firearm Training Courses teach you the safety principles and help you develop the knowledge, skills, and attitude that are needed to successfully pursue your shooting interests. Students learn NRA's rules for safe gun handling, pistol parts and operation, ammunition, shooting fundamentals, range rules, shooting from the bench rest position, two handed standing positions, cleaning the pistol, and continued opportunities for skill development. Register on-line at [www.NRAInstructors.org](http://www.NRAInstructors.org)
